

PROForms® Embedment Angle

PROForms® FRP embedment angle is manufactured with premium-grade vinylester fire-retardant resin. It's compatible with all standard sizes of PROGrid® molded and PROGrate® pultruded grating and has continuous anchoring incorporated into the design to eliminate the need for additional anchors. Our embedment angle is available in dark gray and is stocked in 20' lengths.

FEATURES

- Corrosion resistant
- Low conductivity
- UV stable
- Fire retardant
- High strength
- Easy to install
